

Quadrant Performance Materials, LLC ("Quadrant PM"), warrants that **EnviroSeal®** (the "Product"), when installed according to its installation instructions by a Quadrant PM Approved Applicator, will perform as indicated in the product specification sheet published at the time of the installation. This Lifetime Limited Warranty is in effect throughout the life of the building, provided the original purchaser registers the Warranty Registration Form with the Quadrant PM Warranty Department within 30 days of occupancy otherwise the Warranty becomes invalid. Quadrant PM's sole responsibility under this Warranty shall be to repair or replace the defective Product at the cost of the material only, subject to inspection of property. Quadrant PM's obligations are limited as set forth below.

**Restrictions:** Quadrant PM shall not be responsible for labor costs or any other costs whatsoever in connection with the removal or installation of either the original or replacement insulation. Quadrant PM shall have no liability under the Lifetime Limited Warranty for defects or failure caused by improper storage, or an installation not in strict adherence with Quadrant PM's written instructions, or any damage due to fire, storms, other Acts of God, abuse, neglect, or accident, or defects, failure, or damage caused by materials adjacent to the Product, or damage caused by alteration following completion of the installation of the Product. Statements about the performance qualities of the Product made by Quadrant PM Approved Applicators or contained in advertising literature do not constitute an express-warranty.

**Disclaimer: The warranty is made in lieu of all other warranties, whether written or oral, whether arising under statute, or in tort, or by implication of law or otherwise. All implied warranties, including warranties of merchantability and fitness for a particular purpose, are limited in duration to the length of this warranty. Quadrant PM shall not be liable for any incidental or consequential damages arising from a breach of any express or implied warranty or for the cost of removing, installing, or reinstating any repair or replacement. There are no other warranties or guarantees which extend beyond the description set forth in this warranty.**

Certain local jurisdictions may not allow limitations on how long an implied warranty survives or the exclusion or limitation of incidental or consequential damages and, accordingly, the above limitations or exclusions may not be applicable. This Lifetime Limited Warranty provides specific legal rights which may vary from local jurisdiction to jurisdiction.

To make a claim under this Lifetime Limited Warranty, the customer must notify Quadrant PM in writing within 30 days of discovery of alleged defect and must submit with this notice, name and address of the Quadrant PM Approved Applicator, proof of the date of purchase, and the date, property location and description of the circumstances under which the defect occurred or was first noticed.
